

PPC Repairman Inspection May 16-17, 2009

Greenville Municipal Airport, Greenville, Illinois

GENERAL

This is an information package to aid you in attending the Repairman Inspection workshop to be held at the Greenville Municipal Airport, Greenville, Illinois on May 16-17, 2009. The cost of the course is \$329.00. This is a discounted course since this class is being conducted "at home station".

INSTRUCTOR

Your instructor will be Roy Beisswenger of Easy Flight Powered Parachutes. You can learn more about his operation at www.EasyFlight.com

LOCATION

The course will be held indoors at the terminal in the classroom located on the Greenville Municipal Airport, Greenville, Illinois.

CANCELLATIONS

The Repairman Inspection Course is a specialized course with limited attendance to enhance your learning experience. If you reserve a seat, that means someone else has missed out on an opportunity to attend. Therefore no refunds are authorized. Please read our refund policy in its entirety on our website.

AIRPORT INFORMATION

You can fly commercially into Lambert International Airport in St. Louis. Driving distance from St. Louis to Greenville, Illinois is about 62 miles. You can also fly directly to the Greenville Airport. The Airport Identifier is GRE.

LODGING SUGGESTIONS

Lodging is responsibility of the participant and is not included in the seminar fee. Referred to list of hotels and fees included on the map and hotel information page attached. See attached Map of other nearby hotels and motels.

MEALS

Meals are the responsibility of the participant and are not included in the seminar fee. Time will be allowed for lunch.

WHAT TO BRING

All books, materials, and supplies will be furnished to you. It is recommended that you wear your "weekend work clothes".

CHECK-IN and REGISTRATION

Begins at 7:30 AM on Saturday. Please fill out the attached check-in form and bring it with you. You will receive all class materials at check-in.

SCHEDULE OF COURSE

Check In and Registration

Saturday 7:30 AM

Course will be held Saturday through Sunday from 8-5. Students must attend both full days of the course and pass the exam at the end to successfully pass the course.

SHARING RENTAL CAR/LODGING

For this short of a course, it may be best to plan to share with friends.

ADDITIONAL INFORMATION

For additional information, or if you have any questions about this course, please contact Carol Carpenter at (530) 824-0644 or email at carol@rainbowaviation.com or you can reach Roy Beisswenger at (618) 664-9706 or email at roy@easyflight.com.
